VillaDorica®

luxury garden life philosophy

Outdoor Furniture Collections

«Gods meet in the Garden»

wrote the Italian landscape designer Ippolito Pizzetti to describe that picture of ecstasy and magic vibes that is the source of the healing power of gardens.

This is the vision that led us in creating collections of products that can enrich gardens, transforming them into jewels with the unique charm of another era.

Your advantage choosing VillaDorica:

A wide range of products and services selected by people who knows gardens and how to improve the garden experience

Direct source from many small artisans you would spend a lot of time to deal with

Highest level service for any customization, logistics and marketing need.

Chateau de Hautefort - France

Terre Noble Collection

Villa Medici a Castello - Florence - Italy

Italian terracotta is known everywhere and it's a symbol of renaissance gardens decor, both for the benefits offered to plant roots and for its timeless elegance. We offer an exclusive service of customization producing handmade planters with your own logo, initials or family crest, for a garden really exclusive and unique.

Provence Collection

Our ideal romantic garden is in a sunny hill in Provence. Clear and pale colors with tones of lavender and terracotta absorb sun light and soften all surrounding green, letting rest our eyes and soul. Despite the provencal inspiration, all products in this collection are produced in Italy by masters of ceramic decoration. As usual we offer customization to let your product unique and exclusive. Tabletops are in lava stone hand decorated and glazed, jars and pots are made of italian terracotta (clay) and then glazed.

Lavender Tea Table
